

KARATE MINI'S

Solis Ortus was founded by the late Sensei Coen Oosthuizen in 1978. Currently the club is managed and owned by Sensei Coen Oosthuizen's son, Sensei Eugene Oosthuizen. Sensei Eugene Oosthuizen received his Gondan (5th Dan) in 2015.

Karate Minis is an initiative of Sensei Eugene and his partner Sensei Sandy. Sandy practiced karate as a young girl and (regrettably) stopped at the age of 13. 17 years along the road she joined the Solis Ortus family as a 3rd kyu (first brown belt). She is our karate mom and the kids adore her and now proudly wears her first dan black belt. Sandy noticed many little ones would sit and watch their brothers and sisters do karate. They could not join yet because of their age. Sandy's own daughter would nag her for karate classes but alas she is too young. And so karate minis were born, a 30 min class for our little ones. The classes aim to prepare them for the "big class" when they turn 5. We work on their fundamental skills as per their age and also teach them the respect each karateka has for their sport. For 30 minutes (most of the time) our minis will focus, listen, play, learn and strengthen themselves mentally and physically!

Each individual mini is special in his / her own right. Each one will be granted the same opportunities and a moment to shine. The enthusiasm of our minis are infectious and their spirit is contagious. We are hoping to have many mini walk a lifetime journey with us and one day be able to look back at the "good old days."
