## South African Japanese Karate Association registration and grading package *(Optional)*

We would like to encourage all parents to register their child at SAJKA. This enables them to grade in karate and move up in belt rank (Following the Junior white belt regime)

Upon registration your child will receive a Karate Life book (at the first grading) together with its annual registration stamp, but only once registration fees are received.

Grading will take place at the dojo (Karate club) and full karate attire (gi and belt) must be worn. When the child progresses to Grade R they will have the opportunity to start training at the dojo and when they are ready they will be grading to Yellow 1 rank. (Please note that the child needs to be 5 years old or older to grade to Yellow 1)

Grading is a wonderful opportunity for the kids to start setting goals and giving them the thrill of achieving that goal. By setting goals the road to success falls into place as proven in our normal adult lives.

Registration and grading prices		
SAJKA registration and life book		R 680.00
Karate gi		R 360.00-R 460.00 (Depending on gi size and make)

Please let Sensei Lelani know whether you are interested in the SAJKA registration package

I herewith give my permission that the above mentioned student may join the Little Samurais and I undertake to pay the fees before the 5<sup>th</sup> of each month, for the month.
